

Consent Form

I agree to participate in this study conducted by the [removed for review].

I will perform the given task as described in the task description sheet. I understand and consent the recording of my task (video and audio recordings, screen logging, accuracy of my results). I understand that the recorded information is for research purposes only and will be treated anonymously.

I understand that I can leave at any time. I understand that this is not a test of my competence with computers or my knowledge of intelligence analysis!

I agree to immediately raise any concerns or areas of discomfort with the study administrator.
