protesting racism and welfare cuts

Garfield Park >> appears on 03007.txt >> Police spokesman Paulene Peter said about 50 people from a **group called Stop the Racist Terror** were protesting racism and welfare cuts in a poor neighborhood near Garfield Park when the fight broke out.

Democratic National Convention opens Monday.

Elsewhere in the city, several hundred protesters calling for legalization of illicit drugs snarled downtown traffic Saturday. Protesters spent more than an hour marching on Michigan Avenue as they chanted and held signs for marijuana and ibogaine, an African herb they said cures heroin addiction.

00129.txt (search term: terror)

VastPress has recently received numerous threatening emails. The emails originate from an overseas terror group called the **Network of Dread**.

00383.txt >> alerting citizens about Network of Dread, informer

Department of Homeland Security Agent Samuel Turman

03231.txt >> dirty bomb found that was targeting an American city

>> radioactive materials

Terrorist suspect: Officials said **Bruno Eggleston** - a 40-year-old - had been trained in explosives overseas. He was arrested while allegedly returning to the US to carry out reconnaissance of possible targets.

The main difficulty would be in acquiring radioactive material which is in short supply.
