

Cockpit warning system -> potential dangers

#00947

Inbound international flights on U.S. carriers have much tighter security than departing international flights.

Attack on departing international flights

#01243

Frozen turkey (at airport)

#639

Dirty Bombs

Mckelvey believes strongly that the fear surrounding the event can be as dangerous (or more so) than the event itself. He stresses, in the addition to the medical issues, that the loss of our infrastructure as well as the deterioration of our economy will in themselves cause permanent damage to Vastopolis

Event

#00432.txt

Threats by a group of anti-government extremeists (Anarchists of freedom)

#00129

Network of dread
